ACQUIRING SERVICE CREDIT

Your pension benefit is based on a formula that takes into consideration the amount of service credit you have accumulated towards retirement. Members of MOSERS earn a day of service credit for each day of work in a benefit-eligible position. That is the most common way of accumulating service credit. However, there are other ways:

- You may have active-duty military service.
- You may have worked for some other public entity in the state of Missouri such as a local school district, city, county, or the University of Missouri.
- You may have previous state service that was forfeited or that has not yet been credited.
- You may be eligible to transfer up to eight years of service from one retirement system to another under a special provision in the Missouri State Employees' Plan (MSEP).
- You may be able to transfer all your service from another public retirement system to MOSERS under a special provision in the Missouri State Employees' Plan 2000 (MSEP 2000).

This brochure provides examples of these other types of service and explains how to find out if you can receive credit in MOSERS for your previous service. Generally speaking, you cannot receive credit for the same period of service under two different retirement systems, or receive credit for any period of service for which you already have credit in MOSERS. Some types of service may be added to your records free of charge, others may have to be purchased. It is in your best interest to explore your possibilities, as additional service may increase your benefit and/or enable you to retire sooner.

When to Apply

Once you are a vested member of MOSERS, you may acquire eligible prior service credit. The purchase or transfer of service must be completed **prior to applying for retirement**. It is your responsibility to complete and submit the appropriate form or contact a MOSERS benefit counselor if you wish to receive credit for prior governmental service.

There are several reasons why you should acquire prior service credit as soon as possible.

- Some of the service credit provisions have deadlines for applying. The laws are very specific. If you miss the deadline, you may not be eligible for the service credit at a later date.

Benefit-Eligible Position

Generally speaking, an employee must work in a position normally requiring at least 1,040 hours per year to qualify for MOSERS benefits.

Summary of Changes to Annual Minimum Hour Requirement

Date of Service	Minimum Hours/Year
8/28/07 - Present	1,040 hours
10/1/84 - 8/27/07	1,000 hours
Prior to 10/1/84	1,500 hours

You must be "vested" prior to purchasing service credit. (104.1021.11)

MSEP/MSEP 2000 Vesting Requirements

General employees	5 years
Legislators	3 biennial assemblies
Elected officials	4 years (1 term)

If you (or your beneficiary under a survivor benefit) die before receiving sufficient benefits to cover the cost of the service that you purchased, MOSERS will reimburse the amount you paid for your service, less any retirement or survivor benefits received. We will pay a family member or your estate.

The eligibility requirements contained in the different provisions allowing you to acquire prior service credit are very specific. Please refer to the section of this brochure that applies to your type of prior service or contact a MOSERS benefit counselor.

- There is less likely to be a delay in receiving a benefit payment on time if you take the initiative to acquire service long before you apply for retirement. Generally speaking, you have up to two years to pay for purchased service (24 monthly payments). If you elect to transfer service from another retirement plan to MOSERS, it may take up to eight weeks to complete the transaction.
- Waiting may cost you money. Some purchases have an interest component in the calculation, while others are based on the present value of your pension benefit, which increases as you get closer to retirement.
- You must complete the purchase or transfer of service **prior to applying for pension benefits**.

Likewise, there are several reasons why you may wish to delay purchasing service credit.

- If you are planning to use funds from savings (such as an IRA or your deferred compensation account) to make the purchase, and believe you can earn more on your savings than you will be charged in interest on the service purchase, a financial case can be made for delaying the purchase.
- In the event of a divorce, we will include service purchased during the marriage when calculating the potential ex-spouse benefit.

Before you decide to purchase additional service credit, we recommend you contact a qualified financial advisor to determine how the purchase will affect your overall financial plan.

How to Pay for Purchases

Submitting the application does **not** obligate you to purchase prior service credit. It simply allows MOSERS to collect the information necessary to give you a cost.

You have 30 days from the date of the quote to make an election to acquire service credit. If you do not make an election during this period, we must recalculate the cost.

5

Along with the cost estimate, we will provide an election form. If you decide to purchase your prior service credit, complete the election form and return it to MOSERS. You may purchase prior service credit using **one or more** of the following payment methods:

- **Lump-Sum Payment:** You make a single payment to MOSERS to cover the cost of acquiring the prior service credit.
- **Monthly Payments/Payroll Deductions:** You elect to make monthly payments directly to MOSERS or have payments deducted from your payroll check. The purchase cost will include added interest.
- **Rollover From Eligible Employer Plan or Traditional IRA:** You use the funds from an eligible employer plan (including your MO Deferred Comp Plan) or traditional IRA to purchase prior service credit. For more information, please request a *Tax-Free Rollover Certification* brochure. For your convenience, the brochure is available on our website and we send it with all cost estimates.
- **Combination of Lump-Sum and Monthly Payments:** Please note, if you make a partial lump-sum payment up front, we will need to recalculate the amount of your monthly payments to include the additional interest that is applied to the remaining balance.

Using After-Tax Dollars to Purchase Service

When you retire, we will send you a 1099-R (similar to a W-2) each year for use in preparing your income tax return. If you purchase service with after-tax dollars, the “taxable amount” on the 1099-R will be less than the “gross distribution.” Since you already paid taxes on the money used for the purchase, only a portion of your total benefit during the calendar year will be considered taxable income. If you use rollover funds to purchase service, the taxable amount will not be reduced.

ACTIVE-DUTY MILITARY SERVICE

Automatic Credit (104.330; 104.1021.5)

To qualify for automatic credit of active-duty military service **performed after December 3, 1974**, you must meet the requirements of the Uniformed Services Employment and Reemployment Rights Act (USERRA). Your rights under USERRA are governed by a number of provisions of that federal law.

Short duration active-duty military service such as two-week annual trainings in the reserve forces may qualify for service credit.

To be eligible for automatic military service credit, you must:

- Have been employed by the state immediately prior to entering the armed forces.
- Return to state employment within the timeframe specified by USERRA.
- Provide a copy of your military DD 214 or NGB 23 honorable discharge form or other pertinent documentation.
- Meet any other requirements under USERRA.

For more information regarding USERRA guidelines go to www.dol.gov.

How to Apply

If your active-duty military service qualifies for automatic credit, contact MOSERS to see what action is necessary.

Purchase (104.340.4; 104.1021.6)

You may purchase **up to four years** of active-duty military service credit **performed prior to last becoming a member of MOSERS. This may include active-duty military training.**

To be eligible to purchase military service credit, you must be:

- A vested, actively employed member of MOSERS, or
- A terminated-vested member of MSEP (eligible for future benefits, but no longer working for the state).

Any active-duty military service you wish to purchase must have been performed prior to last becoming a member of MOSERS.

Active-duty military service performed after you last leave state employment is not eligible for purchase or automatic credit.

If you elect to purchase your active-duty military service, you must purchase all that you served (total months and days) up to a maximum of four years. In connection with such a purchase, MOSERS requires that you submit a copy (not the original) of your military DD 214 or NGB 23 discharge form, which verifies the following:

- Your service was active duty.
- Your service was in an eligible branch of the U.S. Armed Forces or reserve component (Army, Air Force, Navy, Marine Corps, Coast Guard, Army National Guard, or Air National Guard).
- Your dates of service.
- You were honorably discharged.

You may not acquire active military service that is being used for credit or benefits under another retirement plan, other than the U.S. military.

How to Apply

For your convenience, you can find an *Application to Purchase Active-Duty Military Service* in the back of this brochure and online at www.mosers.org. If you would like to purchase your active-duty military service, complete the application, attach the required documentation, and mail it to MOSERS.

PRIOR PUBLIC EMPLOYMENT IN MISSOURI

There are provisions that allow you to combine certain types of prior government work with your MOSERS service. By combining your service, you may increase the amount of your retirement benefit and, in some cases, become eligible to retire at an earlier date.

Some examples of the types of employment eligible under this category include:

- Public school/public education employee service
- City or county local government
- University of Missouri

Service with any not-for-profit organization is not considered public employment and is not eligible for service credit in MOSERS.

There are **four** provisions that address how to receive credit for prior public employment. Please note, the guidelines are very specific.

Provision 1: Up to Four Years of Non-Vested Service at Reduced Cost (104.344)

You may purchase up to four years of full-time, nonfederal, public employment at a reduced rate. To be eligible, you must:

- Be actively employed and vested in a MOSERS-covered position.
- Not be vested in another retirement plan for the same service.

How to Apply

For your convenience, you can find an *Application to Purchase Other Missouri Public Service* in the back of this brochure. Instructions for completing and submitting the application are on the form. If you have service from more than one employer, please complete a separate application for each.

If you have more than four years of non-vested service, you may purchase any remaining time at full actuarial cost as outlined under Provision 2 (page 10).

Frequently Asked Question

Q. I have some prior teacher service that was not covered by Social Security. If I purchase that service for credit in MOSERS, will it be affected by the “windfall elimination” provision?

A. Generally speaking, the non-Social Security service that would be eligible for credit in MOSERS is not affected by the windfall elimination provision. However, if the service you are considering purchasing is not covered by Social Security, you should contact a Social Security office to discuss what implications this purchase may have on your future Social Security benefit.

Prior public employment service credit may be acquired using one or more of the following statutory provisions:

- 104.344
- 105.691
- 104.800
- 104.1090

Service Purchase Calculator

This online calculator estimates the cost of buying up to four years of active-duty military service or non-vested public employment service within the State of Missouri. (Non-vested means you are not entitled to a retirement benefit from another public system for that service.)

Provision 2: Transfer/Purchase of Service at Full Actuarial Cost (105.691)

In order to use this method, you must be vested in MOSERS. There are transfer and purchase provisions under this method; however, the amount of service that will be transferred is based on the actuarial cost of that service in MOSERS. **In other words, it will not be a day-for-day transfer.**

Transferring Service

If you are vested in one of the following plans, you can elect the transfer provision.

- **Public School Retirement System (PSRS) or Public Education Employees Retirement System (PEERS)**
PO Box 268 • Jefferson City, MO 65102 • (573) 634-5290 • (800) 392-6848 • www.psrsmo.org

www.kcmo.gov/humanresources/retirement-information

Once we have verified your service MOSERS will send an election form to you that will indicate how much service can be transferred to MOSERS and how much it will cost to purchase any remaining service.

Purchasing Service

If you have additional service remaining after either a transfer or a purchase at reduced cost, you may use this provision to purchase additional credit for that time in MOSERS. If you are not actively employed but are vested, you may use this provision to purchase full-time, nonfederal public employment at full actuarial cost.

How to Apply

For your convenience, you can find an *Application to Purchase Other Missouri Public Service* in the back of this brochure and online at www.mosers.org. Instructions for completing and submitting the application are on the form. If you have service from more than one employer, please complete a separate application for each.

Provision 3: Eight-Year Transfer Provision in MSEP (104.800)

There is a special provision that allows you to transfer up to eight years of service to or from any of the following plans:

- Missouri State Employees' Plan (MSEP)
- Administrative Law Judges and Legal Advisors' Plan (ALJLAP)
- Judicial Plan
- Prosecuting Attorneys and Circuit Attorneys' Retirement System (PACARS)

You will forfeit any remaining credit in the plan your service was transferred from.

How to Apply

Contact a benefit counselor at (800) 827-1063 or by email at mosers@mosers.org to request an application.

Provision 4: Transfer Provision in MSEP 2000 (104.1090)

If you meet the following criteria, you may be eligible to receive credit for all your previous public employment within Missouri that was covered by another retirement plan:

- You must be an **active** state employee.
- You must have completed **at least 10 years of active service** in the MSEP 2000 (or elect the MSEP 2000 at retirement) (excludes any prior purchased service).
- You must be vested in the other Missouri retirement plan.
- There must be a written agreement with the other system to transfer the required funds (benefit value) to MOSERS.

As of the date of this publication, we have agreements with:

Prior public employment service credit may be:

- Purchased (you pay MOSERS for the service credit)
- Transferred (no cost to you; cost transferred from other retirement system)
- Combination purchase and transfer

Exceptions

If you had 10 years of service with MU and were age 55, or had five years of service and were age 60 at the time you began state employment, MU will not transfer the service credit.

County Employees' Retirement Fund may require you to be 62 before you can transfer service credit.

How to Apply

- **MSEP Members:** If you are eligible to transfer service under this provision, please contact a benefit counselor prior to applying for retirement. You must elect the MSEP 2000 at retirement to qualify.
- **MSEP 2000 Members:** Once you have completed at least 10 years of service, contact a benefit counselor at (800) 827-1063 or by email at mosers@mosers.org to request an application.

MODOT AND PATROL EMPLOYEES' RETIREMENT SYSTEM (MPERS) (104.602; 104.1021.8)

If you have service in MPERS, you may elect to receive credit for that service in MOSERS. This transfer also works in the other direction. In other words, if you become a member of MPERS, you may transfer MOSERS service to that system.

How to Apply

Simply notify MOSERS in writing. Include your name, Social Security number, and your dates of service under MPERS. We will verify your previous service with MPERS. MPERS will send MOSERS the equivalent amount of employer (state) contributions made for this service. We will send you a notice confirming the transfer when the process is complete. This is a free transfer of service; there is no cost to you.

If you have service in both MOSERS and MPERS and die prior to retirement and before consolidating (transferring) your service, your survivor may elect to receive survivor benefits that are computed as if you elected to transfer service in order to receive the highest possible benefit. If there is no advantage in one system over the other, the benefit will be paid by the system you last accrued service under as a member.

STATE AGENCY SERVICE UNDER THE PUBLIC SCHOOL RETIREMENT SYSTEM (PSRS) (104.372.4; 1021.7)

If you have previous service with a state agency that was credited in PSRS, you can elect to transfer that service to MOSERS. Some common examples of this type of service would be employment as an instructor at a regional state college or university, as a teacher in the Department of Corrections, or with the Department of Elementary and Secondary Education. In order to qualify for this transfer of service, you must withdraw or have already withdrawn any employee contributions you made to PSRS.

How to Apply

Simply notify MOSERS in writing. Include your name, Social Security number, place of employment, and dates of service. We will work with PSRS to verify your previous service. PSRS will send MOSERS the equivalent amount of employer (state) contributions made for this service. We will send you a notice confirming the transfer when the process is complete. This is a free transfer of service; there is no cost to you.

LINCOLN UNIVERSITY (104.340.6; 1021.7)

If you were actively employed in a MOSERS-covered position on or after June 30, 1988, you may be entitled to creditable prior service for all full-time service rendered at Lincoln University prior to June 30, 1988.

How to Apply

Simply notify MOSERS in writing. Include your name, Social Security number, and your dates of service. We will work with Lincoln University to verify your previous service. Once we have verified the service, we will send you an affidavit to complete. The affidavit states that you forfeit all rights to any benefits accrued under the Lincoln University Retirement System. After we receive your completed affidavit, we will make the transfer and notify you once the process is complete. This is a free transfer of service; there is no cost to you.

CIRCUIT CLERK, DEPUTY CIRCUIT CLERK, DIVISION CLERK (104.345.4; 1021.7)

If you were actively employed in a MOSERS-covered position on or after August 28, 2000, you may receive credit in MOSERS for service rendered as a circuit clerk, deputy circuit clerk, or division clerk if you meet both of the following conditions:

- You are not vested in a county or city retirement system.
- You earned the service while working in a benefit-eligible position (at least 1,040 hours per year; 1,500 hours per year prior to October 1, 1984; 1,000 hours per year between October 1, 1984 and August 27, 2007).

County-Paid Circuit Court Service (104.345.4)

To receive credit for county-paid service, please call MOSERS to complete and submit a *County-Paid Circuit Court Service Application*.

How to Apply

Simply contact a benefit counselor to request a *County Paid Circuit Court Service Application*. Complete and submit the form. We will work with the Office of the State Courts Administrator to verify your service. We will send you a notice confirming the transfer when the process is complete. This is a free transfer of service; there is no cost to you.

JUVENILE COURT EMPLOYEE - INCLUDING JUVENILE OFFICERS AND DEPUTY JUVENILE OFFICERS (211.393)

If you have previous service with a juvenile court, you may be eligible to receive credit for that time in MOSERS.

How to Apply

Contact a MOSERS benefit counselor at (800) 827-1063 to request an application for juvenile court employee service. We will send you an election form and verification form. Please follow the instructions on the forms very carefully. We will work with the Office of the State Courts Administrator to verify your service. The Office of the State Courts Administrator may be required to send MOSERS the equivalent amount of employer (state) contributions made for this service. We will send you a notice confirming the transfer when the process is complete. This is a free transfer of service; there is no cost to you.

STATE BOARD SERVICE (104.340.2)

If you were formerly a full-time employee of a state board (unassigned or assigned by the Governor), you may be eligible to receive creditable service in MOSERS. If you become a member of MOSERS **within one year** of termination of employment with the board, you may receive **up to eight years** of creditable service if you meet both of the following conditions:

- You are not vested in a city or county retirement system.
- You have or will attain one or more years of continuous service in a MOSERS-covered position.

How to Apply

Simply notify MOSERS in writing. Include your name, Social Security number, and your dates of service. We will work with the other board to verify your previous service. We will send you a notice confirming the transfer when the process is complete. This is a free transfer of service; there is no cost to you.

CASHED-OUT MOSERS SERVICE (104.335.6)

If you elected to cash out, your MOSERS service was surrendered and no future benefit or potential survivor benefits are payable for that service. The cash-out option is intended for members who do **not** plan to return to work for the state. When you left state employment and cashed out, the amount you received was based on the benefit you had earned at that time. It may have been a relatively small amount, because your benefit stopped growing once you were no longer working for the state.

You may elect to purchase this surrendered service **within the first year** of returning to work in a MOSERS-covered position. The purchase price is based on the amount your benefit is expected to be when you reach retirement age, which includes consideration of your probable future service and your projected salary. Therefore, the cost of purchasing your surrendered service will be **significantly** more than the lump sum you received.

How to Apply

When we receive notification that you have returned to work for the state, we will send you an election form and the cost of purchasing your cashed-out service. We will include instructions for completing and submitting the election form.

Cashed-Out Service

- Cashed-out service is very expensive to buy back.
- The cash-out option was available only to vested members of MSEP/MSEP 2000 who left state employment between October 1, 1984 and September 1, 2002.
