Missouri State Employees' Retirement System Pension Benefits

To receive benefits, you must complete the two-step retirement process and make important decisions related to the forms below. Apply online at [myMOSERS](#) or request a personalized *Retirement Application* from a MOSERS benefit counselor.

STEP 1 – Retirement Application and Benefit Payment Details

- Retirement Application* – Choose your retirement date and provide information about yourself (and spouse, if applicable).
- Direct Deposit Authorization* – Authorize the electronic transfer of your monthly benefit payment.
- W-4P Tax Form* – Withhold taxes from your retirement benefit.

Benefit Considerations (optional)

- Designation of Agent* – Designate someone to manage your MOSERS benefits in case you become incapacitated.
- Authorization to Release Information* – Authorize the release of specific information to another person or organization.

STEP 2 – Retirement Elections

- Retirement Election Form* – Make specific choices regarding your retirement plan (if eligible for more than one), BackDROP* (if eligible), and payment options (required).
- BackDROP Distribution Form** – Decide if you want your payment in cash, as a rollover, or as a combination, if taking BackDROP.

* *BackDROP is available only to eligible employees in the MSEP & MSEP 2000.*

Retirement Itinerary Places to Go & Things to Do

The key to successfully navigating the retirement process is knowing what to do and where to start. Begin by contacting your employer's human resources office. There may be certain actions you need to take regarding termination and you may need their assistance in completing some of the required forms. Next, understand which state and federal benefits are part of your total compensation package, who administers each benefit, and which administrators you'll need to stop and visit along the way. Use this "retirement itinerary" as a checklist of places to go and things to do.

Missouri State Employees' Cafeteria Plan (ASIFlex/Central Bank)

Health Care Flexible Spending Account

You have two options if you enrolled in a healthcare flexible spending account (HCFSAs) for the year in which you will be retiring:

1. Prepay your remaining contributions for that year from your final paycheck(s). This will allow you the full year to use the plan, and since the payroll deductions are pre-tax, prepaying for the remainder of the year will allow you the best tax savings; **OR**
2. Stop your coverage under the HCFSAs when you retire. If you do not elect to prepay, your contributions will automatically stop, and your coverage will terminate at the end of the month in which your last contribution is made. Any claims you submit must be for services incurred prior to the end of your coverage period.

Important Coverage Changes

- MOCafe Change of Election Form* – Authorize a pre-tax lump-sum prepayment of your HCFSAs contributions or stop coverage under your HCFSAs at your retirement using Section C of this form. Allow time for your payroll representative to make any deduction adjustments on your last paycheck(s).
